

PENNRIDGE SCHOOL DISTRICT KINDERGARTEN PARENT ORIENTATION

June 1, 2009 -- 7:00-8:00pm
Penn North Middle School Auditorium

Dear Parent(s) and Guardian(s),

Thank you for choosing the kindergarten program in the Pennridge School District! As coordinator of the Early Childhood Program in the district, I feel confident that your child will receive a comprehensive academic and social program with caring and certified educational professionals.

On Monday, June 1st, all parents with kindergarten students attending any one of our seven elementary schools are invited to attend a Parent Orientation at North Middle School. The kindergarten teachers in the district will be present and provide you with information pertinent to your child's first formal school experience in the Pennridge School District.

Know that a Kindergarten Open House will be scheduled at your child's school either in August or September. At that time, you and your child will meet the teacher, learn about the procedures at your child's school, and visit the classroom. During the summer you will receive details regarding the date and time of that event.

In the event you have any questions, know that you can contact the principal at your child's school or me at Bedminster Elementary at (215) 795-2929.

Sincerely,
Christine L. Koegler
Principal
